BIG OFFER

We call the attention of our readers to a remarkable club offer we are making in another column for the winter's reading. We are offering a value of $2.50 for $1.00. We hope all our old friends who have gotten in arrears will take advantage of this offer and pay up in advance for the paper. Be sure to read the offer.

Troops are being hurried to the Philippines and battleships to the Pacific. What does it all mean?

There is a stench about the federal government pending office and the "Hocus-Pocus" in the air of it and yet for all its foreign ivy vines the Government—nothing else."

There are a thousand whacking at the branches of public ill and the rock goes unbroked. Cut it up root and branch, and relief will come.

Prohibition took a great many people's breath away, says the Atlanta Georgian. A neat epigramatic obituary in the memory of departed spirits.

How a Pennsylvania Republican can look a citizen of another State in the face and cry "fraud" is past inexplicable. Remove the "beams" and until you do that stop looking for "motes."

Sixty thousand men in Chicago cry for work. Come to Southside Virginia and we will give it to you, and with it comfortable homes, where everything is pure water and cheerful hearth-stones.

A leading organ of Washington, D. C., has summoned the subject of his sermons for eight consecutive Sundays and there is not a semblance of "Graft" and Him a "Crucified" about any of them. No wonder the pulpit is loosing its power.

The legislature may be busy but so far as heard from it hasn't turned out much work. It is unwise to postpone important measures for the closing days of the session. Crowding means confusion and confusion means ill-digested and faulty law. The farmers of the body should at least know that the time for making hay is when the sun shines.

The "rising generation" of negroes have no respect for white people and as they may have some for the better class of their own race the legislature should see to it that they are kept together by enlarging the operation of the Jim Crow law so as to make it embrace all depots as well as all cars. The legislator who refuses to support this measure can't afford to return home and look his constituents in the face.

The resignation of our Secretary of War, who proposes to take charge of the Daft forces is the most decent thing which has been done at Washington for many a long day. No man has the right to pull at public pap and at the same time dress the personal affairs of any asprirant. Mr. Roosevelt himself should lift his hat to conduct like this and others in public places should "catch on" to the splendid example.

Our legislators, State and National would do well to trust the people, for if they are not to be trusted then it means a long farewell to all our greatness and our glory. We make and unmake law-makers and if we would exercise a little more thought and care in the mak e we might have a better, honest and capable list of agents. Corporations pick their men more prudently and in this they give the best good examples worthy of following.

The financial bills hang fire in congress. The statement who would suggest action forever from would restore confidence among the masses would solve the problem. It have we any statesmen having the good of the whole people at a in the presidential making of? We have our doubts, and only is a President to be made this year of our Lord, 1908, but in the coming congress are to be men. What care we for the people? Our Vanderbilt voted our interests.

Senator Hartman, who is chairman of the Committee on Printing, as introduced Senate bill No. 36, which provides that the Superintendent of Public Printing be authorized and directed to furnish to each person, firm or corporation who may apply therefor and pay the fees prescribed, copies of each bill printed or the House of Delegates or Senate, the calendar of each day, and a calendar of the journal of each document and advance sheets of the Assembly at a price not exceeding two copies of each to any person firm or corporation.

The Superintendent of Public Printing must report to the Auditor all sums received, together with the names of the persons to whom the services have been rendered. Officers of the State government, members of the General Assembly and representatives of the press are exempt from the payment of the fee."

This is a good bill.

The grand and petit juries for the next term of the United States District Court, to be convened in Lynchburg on the 10th inst., by Judge Henry C. McDowell are as follows:

GRAND JURY—Appomattox county: W. H. Childress.

Buckingham County: C. D. McCraw, J. G. Glover.

PETIT JURY—Appomattox county: C. P. Marshall, W. D. Marks.

Buckingham County: R. A. Morgan, L. O. Pierce, W. A. Smith.

Enonville.

We should feel that we had neglected one of the duties of life, should we fail to chronicle the sad death of Isaac L. Waller, which occurred in Roanoke, January 22nd, 1908. The immediate cause of his death was typhoid fever, though he had been in declining health for several months. Mr. Waller was born in Buckingham county but had lived for several years in Botetourt county, and at the time of his death was a fireman on the Norfolk & Western Railway. He was a young man of splendid character, noble, kind-hearted and true.

His remains were brought home and interred in the cemetery at Enon Baptist church. The funeral services were conducted by the Pastor, Rev. E. C. Davis. The pall bearers were Messrs Jas. Pell, Archer Rush, E. W. Robertson, T. E. Dowdy, Bernice Ransom and E. S. Dunnevant. The floral tribute was beautiful and elaborate. A large concourse of friends assembled at the grave to pay the last sad tribute of respect to one who was loved and respected by all who knew him.

We should think that recent Tillman-Rockefeller conference sufficient cause for another message to Congress.

Now that he Horn has been properly rounded and the north bound tr p begun, it will of course be all up-hill work for the battle-ship fleet.

Another Georgia editor has migrated to Gotham. It seems rather a hard matter to make prolonged droughts and elixirs both stay put in the cracker State.

"The further South one goes, the less nervous are the people," says Dr. Worchester, whereupon the Boston Transcript cites "prohibition" as an evidence to the contrary. Still, there's Maine, you know.

A Mineral Water that Defies Drugs

Nature's Great Blood Tonic

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants urk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed. Are you troubled with **Dyspepsia, Nervousness,** Malaria, **Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery,** and above all, that dreadful disease **Scrofula,** which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick,** and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics,** could have been accidental? Reason answers, NO!

Are 18-ounce bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 28 gallons of the average natural water—Then **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.** One dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases numerated above, and many more, evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail, if you are interested.

You May Not Need It Now.

Here is a simple home-made mixtures as given by an eminent authority on Kidney di eases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night, painful and discolored urination, are readily overcome. Here is the receipt, try it:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bed time.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a pecular healing and soothing effect upon the entire Kid ey and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to biter and strengthen the blood and system all uric acid and low, decomposed waste matter, which causes t ese afflictions. Try it if you can't well save the prescription.

A Spanish policeman recently arrested King Alfonso as a suspicious character, and it is doubtful whether there is a more lady like monarch in all Europe.

Personal, New Store.

Editor A. and B. TIMES:

I wish to say that while I feel honored to have the authorship of the sweet little poem, which appeared in last week's issue and the letters from New Store attributed to me, I feel that it is not quite honest to accept the praise and congratulations of so many of my friends when I am not entitled to it. I have not the slightest idea who the author is.

Very respectfully,
ANNIE PAGE JONES.

Death of M. D. Gannaway.

Mr. M. D. Gannaway, one of the oldest citizens of our community, died Tuesday at his home near Sheppards and was buried at the family grave yard this evening. Mr. A. W. Carson, of Appomattox county, who married a niece of Mr. Gannaway, was with him for several days before his death.

Deafness cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars free.

The main residence is one of the best in this section of Virginia, constructed of the very best material and contains 9 rooms; it sets in a beautiful grove and the lawn and situation are simply lovely. The scenery and surroundings charm the eyes of lovers of nature. It is the cheapest property of the kind in the market. $7,000 would be cheap for it.

This is a splendid hotel proposition or would make a fine residence for a family who desires to live in town and run a farm or other business. The house is in good condition, contains 8 rooms and a large dining room; cost to-day $3 000 and every convenience; it is situated in one of the busiest towns along the N. & W. This is one of the very best small farms in this section of Virginia containing one hundred acres and stands in areas at this time; it is in the pink of condition and is a most desirable property; the land is practically new, and is made of the best; it is worth at least $50 per acre. About 25 acres remain in timber, and practically all of the rest of the farm is under cultivation. It is well watered and fairly well improved; there is a good six room house, with porches and out-houses. There is also a small 2 room cottage on this property. This is a most desirable little property and is a most beautiful little home. The terms are cash, but financial arrangements can be made.

Appomattox Warehouse

Opened up brisk on Monday the 6th. All tepes were well represented and the prices obtained on the weed were very satisfactory. We now have four regular buyers and with the assurance we now have before us we see no reason why farmers should not give us their full patronage. Sales every day except Saturday. Come to the Appomattox Warehouse and save expenses, save distance, be happy and make us happy. Yours to please,

BABCOCK & MOSES, Proprietors.
